

October 24, 2008

Dear Participants and Contributors:

On behalf of the Mount Construction Charitable Foundation and my family, I want to **THANK YOU** for your caring and generous participation and support in our 5th Annual Charity Golf Outing.

This year's outing was, once again, a huge success and out-paced previous years' results. Because of your kind-hearted support, the Charitable Foundation will be able to donate to several select charities, directly benefiting children, in the months to come. Please check our web site from time to time for updates throughout the year, Golf Outing pictures and information on future events (www.mountconstruction.com).

Once more, we thank you; your support of our efforts to help those we can has been tremendous. We look forward to seeing you again next year.

Thank you,

Dave Smith
CEO
